

Casual CAD/CAM Draftsperson – Events Industry

Are you an AutoCAD whiz who wants to work on unique, challenging and interesting projects?

- **Start in early January**
- **Part-time role (2-3 days per week)**

WHAT WE'RE AFTER

We are looking for a Casual CAD/CAM Draftsperson who can interpret and draft the drawing requirements for our construction team. This position is responsible for producing 2D and 3D construction drawings for the SRC Workshop.. This role also entails producing CAM files for our in-house CNC machine.

To be successful in this role you will need:

- Experience in AutoCAD (2D, 3D) programming (3+ years)
- Experience in AlphaCam (CNC) software (advantageous)
- Experience in Illustrator (advantageous)
- Understanding of set-construction and temporary installations
- Knowledge of machining principles and woodworking practises (advantageous)
- A flexible attitude
- Attention to detail
- Ability to communicate with staff from the shop floor as well as clients
- Ability to work with minimum supervision

If you've got the above skills and are an enthusiastic team member who thrives under pressure, this is a great opportunity to work on some interesting projects in an award-winning company.
